Sir:

This is a response to the restriction requirement in the Office Action dated 06/28/2005. The applicant choose the composition for dental caries as the elected single disclosed species for prosecution on the merits to which the claims shall be restricted if no generic claim is final held to be allowable.

Applicant respectfully submits that the original claims 6 to 20 are direct or indirect dependent claims of the original claim 1 reciting the composition against dental caries bacteria as claimed in claim 1. Typing errors are found in the original claims 7, 8, 10, 11, 13, 14, 16, 17, 19, and 20 which are amended as follows.
